Life's a journey. Enjoy it to the full

Wherever the mood takes you, the Ford **Focus C-MAX** will take you. On business or pleasure. Alone or with the family. It's cleverly designed to respond to every aspect of your driving needs, as is the range of exterior transportation accessories. For example, there's a selection of roof boxes that provide secure, generous loadspace. Whilst for larger or heavier items, just hitch up a trailer to the tow bar. There are also specifically designed accessories to carry anything from awkwardly shaped objects to bicycles or skis. Safely and efficiently

Tow bar
The ideal choice for towing trailers, caravans, boats or jet skis. Safely and securely.

Base load carrier with ski-carrier attachment
Features cross bars engineered to carry loads and act as base for additional carriers.

Mont Blanc "Barracuda" bicycle carrier attachment
Specially designed to transport bikes efficiently and safely.

Thule roof box
Made by the most respected name in rooftop transportation. Designed to carry the widest variety of loads and protect them from weather and theft. (Available in various sizes).

Ford Focus C-MAX with base load carrier, Thule roof box and tow bar.

Let us entertain you

Add to the journey's pleasure for driver and passengers with a high quality audio or help reduce the stress of travel with a Becker navigation system. And keep rear seat occupants entertained with their favourite movies on DVD (optional only with new vehicle orders). The rear seat entertainment console gives complete control for added comfort and convenience. These days, the need to keep in touch on the move is essential, so you'll appreciate the hands-free mobile phone kit that makes it easy - and legal - to make all the calls you need.

Mobile Phone Hands-free Kit

Keep up with all your calls and keep both hands on the wheel. Turn your Nokia or Siemens mobile into a car phone with this ergonomically designed Hands-free solution that connects your phone directly to the audio system.

Multimedia DVD System

Entertain adults and keep kids quiet with their favourite movies. It's like having your own Ford Focus C-MAX entertainment zone.

Optional only with new vehicle orders.

Rear Seat Entertainment

Special controls for rear seat passenger to select and change their in-car entertainment, without distracting the driver.

Optional only with new vehicle orders.

How to get the most out of your Ford Focus C-MAX

With a vehicle as flexible as the Ford Focus C-MAX you want accessories that will help you get the most out of it. That's why we offer just about everything to make this versatile car an indispensable part of your life. From contoured mudflaps and floor mats, to child safety seats, dog guards and transportation accessories: a comprehensive range to help protect the car, its occupants and all you need carry in it

		
<p>Contoured mudflaps Hardwearing and practical, they protect bodywork from stone chippings or anything the road may throw at it.</p>	<p>Scuff plate Practical protection from the little scuffs and grazes which can easily damage paintwork. It's little touches like these which make all the difference in keeping your Ford Focus C-MAX looking as good as new. Available in brushed/polished stainless steel with a recessed C-MAX logo.</p>	<p>Britax child safety seat The safest way for a small child to travel is on the rear seat, in a specially designed child safety seat. And no-one has more experience in designing those seats than Britax.</p>
		
<p>Floor mat – Premium Velour Stylish, practical protection inside your car. Mats with an attractive nubuck surround and aluminium logo. Available in a range of interior trim colours (front and rear mats sold separately).</p>	<p>Floor mat – Standard In black, these practical mats help keep the interior clean. Available in a set for front and rear.</p>	<p>Floor mat – Rubber Made in heavy duty rubber, these mats withstand the muddiest footwear (front and rear mats sold separately).</p>

		
<p>Anti-slip luggage compartment mat Moulded especially to fit luggage compartment floor. Anti-slip surface helps prevent loads moving around.</p>	<p>Reversible luggage compartment mat Premium velour with Ford Focus C-MAX logo, backed with durable, washable, plastic anti-slip surface. Available in dark, medium or light flint to match interior trim.</p>	<p>Load space liner Suitable to transport wet or dry items. The removable partition bars help prevent objects from sliding around whilst driving.</p>
		
<p>Interior bike carrier Carries your bike or bikes safely and securely. Up to three carriers can be fitted.</p>	<p>Securing straps Effective in keeping even awkwardly shaped loads in place. Comes as standard with the interior bike carrier, or sold separately.</p>	<p>Load Barrier Retention Net - vertical Will keep the heaviest loads in position, and helps protect passengers in the event of sudden braking.</p>
		
<p>Guard Keeps dogs or items of luggage safely in the luggage compartment. A separate kit is available which extends guard to full height.</p>	<p>Load Compartment Partition Divider to complement full height dog guard. Enables pets and/or luggage to be transported safely together.</p>
